## March 2024

### Last Month in Review

In February, we celebrated love and kindness with a kindness themed spirit week, a “caught-being-kind” incentive program, kindness themed activities, and a food drive. We celebrated Valentine’s day with a dance, photo booth, and crafts. To honor Black History Month, we hosted a Dr. Martin Luther King Jr. Assembly where students learned about the life, work, and lasting influence of Doctor Martin Luther King Jr.
